A Publication of the Barony of Unser Hafen

From the Baron and Baroness

Unto the strong and noble gentles of the Grand Barony of Unser Hafen;

Our warriors have returned from Estrella war. While we were not victorious, the valor and determination of our fighters prevented any loss of territory or honor. Heavily outnumbered, we stopped the march of the Aten army and turned it back to recover from the wounds we inflicted! Of course, besides the fighting, there was much shopping, drinking, general merriment had this year. If you missed out on the fun this year, it's probably a good idea to start planning and saving for next year. The trek to Estrella each year is an adventure, and a bonding experience that cannot be rivaled.

Now, with a good mood set, I'd like to remind all of our officers and others who hold positions of duty of their responsibilities. Our barony is dependant upon you to fulfill your obligations. There have been officer reports which are late or missing. Duties have been neglected or forgotten. I would remind each of you that there are over one hundred members who are relying on YOU to keep our status as an active Barony. Each of you has sworn an oath to us to fulfill your duties, and we do not take that oath lightly. The holiday seasons are behind us now, and it's time to live up to our promises.

So, back to the good stuff! We offer our proud congratulations to His Lordship Lord Lochlainn, who was recognized as a Thegn of the Iron Heart, and through almost unanimous opinion, created a Corona Graminea of Estrella war. We were all very pleased to witness Her Ladyship Eleanor of Bolton, receive a Stag, which is a grant level service award.

Upon the field of battle, I was honored to bring Lord Gwilim into the Keepers of the Portcullis. His teaching, skill at arms and dedication make him a worthy member of the order. In our court following the battle, for Lady Rayhaneh BahAr (formerly known as Rebeka) we granted admittance into the Order of the Golden Ring. Her service and efforts on behalf of the Barony make her worthy indeed. We chose to honor Nicholas the Falconer, at his first war (Huzzah!), as a member of the Druzhina. Sir Titus in a touching moment on the battlefield took Lord Wayland as a squire.

One of our most grandiose events is upon us! Dance Collegium is known throughout the kingdom for the entertainment, learning and merriment to be had. Her Royal Majesty will be gracing us, which means that Dance Collegium is the place to be this month! We've worked hard and arranged for Clan Tynker to entertain us this year! If you've not experienced their spectacle, you'll be amazed! If you have seen them perform, you know that you'll enjoy their show. If you have a bit of time to share, please help their Excellencies Rosalind and Thorfinn set up the hall. Setup for Dance Collegium is a major under-taking, and it's always useful to have a few extra hands. Arrive early and just pitch in, or give them a call and ask how you can help.

We are looking for a new site for dance practice. We would ask that each and every one of our subjects research at least one potential site, and report to Lady Rosslin as to the availability, and cost of using it on Monday nights. Commonly available sites include churches, schools, and other public halls. This

is an important issue, so please, take this request seriously, and call around to a few places.

We would like to thank all of you who make Unser Hafen the most Grand Barony in the Known World. Your efforts, and even enjoyment of events are what brings it all together. Thank you all for having a good time and being a part of our community!

In Service to the Crown and the Barony,

Lord Tuman and Mu'allima Rashiqah

Officer's Reports

Seneschals Words

As you read this many of you have already been bored by my war stories. (Did you hear about the incredible flying Gwilim? No?....well catch me later). What you may not know is that as I write this I am preparing to travel with the entire gaggle to Gulf Wars. Be forewarned, more N.S.T.I.W. stories to come!

By the time this letter is in print we will have a new Prince and Princess, and our barony has been discussing hosting the Crown Tournament for this fall. At this time this is only talk, and we are currently searching for someone with skill, talent, daring, gullibility (strike that last one) to be the autocrat. If you are interested, contact either myself or their excellencies. Please note that being an autocrat can be a lot of fun, as well as a lot of work. We have an excellent corps of experienced people who are willing and able to help, but we are really looking to bring in more of the populace into the joys of holding events. Crown Tournament can be one of the premier events of the year, and I know that our barony can put on an event that will make the Outlands stand back and say "whooooo hooo!", so again, if you have interest in working your buns off, while having an absolutely wonderful time, see me.

That's all for now. I have a rope bed to make and two evenings to do it. The next time you see me, ask me about Gulf Wars!

Yours in Service,

Gwillim de Glamorgan

From the Captain of Archers

Greetings to the populous of Unser Hafen!

We are fresh from war and looking forward to the coming season. You will see many changes this year including fun shoots, stump shooting, tournaments as well as shooting for scores. I invite all to come and join us! Times and location will be announced in next months Tosspot.

Congratulations to Tracker for being awarded the Sharp Arrow at Estrella War. He now joins a select few in that elite circle. Next time you see him, make sure to congratulate him.

Until next time, may your arrows shoot straight and your shots be on mark.
